Reduced global positioning system receiver code shift search space for a ...

US Pat. 6070078 - Filed Oct 15, 1997 - Ericsson Inc.

A method for reducing code shift search space in a reduced functionality **global positioning system receiver** operating within a **cellular telephone network** ...**METHOD AND APPARATUS FOR COMMUNICATING AUXILIARY INFORMATION AND LOCATION ...**

US Pat. 6415154 - Filed Oct 6, 1998 - Ericsson Inc.

... **BETWEEN A CELLULAR TELEPHONE NETWORK AND A GLOBAL POSITIONING SYSTEM****RECEIVER FOR ... Positioning System Receiver** Code Shift Search Space for A**Cellular ...****Method for improving signal acquisition in a global positioning system receiver**

US Pat. 6186351 - Filed Jul 15, 1999 - Ericsson Inc.

A **cellular receiver** block 48 connected to the antenna 42 selects the shift searches in a **global positioning system (GPS) receiver**, the GPS receiver ...**System and method for provisioning assistance global positioning system ...**

US Pat. 6411811 - Filed Apr 20, 1998 - Ericsson Inc.

A telecommunications **system** for providing correct **Global Positioning System** assistance data to a mobile terminal within a **cellular network**, ...**Systems and methods for sharing reference frequency signals within a ...**

US Pat. 6041222 - Filed Sep 8, 1997 - Ericsson Inc.

1, a typical **cellular radiotelephone network** may comprise hundreds of cells, ...One such technology being considered is a **global positioning system (GPS)**. ...**Combining GPS with TOA/TDOA of cellular signals to locate terminal**

US Pat. 5882324 - Filed May 14, 1998 - Nortel Networks Corporation

... format from a plurality of **cellular network** base stations and calculates the... **global positioning system receiver** and to said mobile **cellular** portion, ...**Cellular terminal location using GPS signals in the cellular band**

US Pat. 6236359 - Filed May 14, 1998 - Nortel Networks Limited

... a **global positioning system receiver** antenna that receives **global** ...wherein said **cellular** signal is generated internally within go a **cellular**

network ...

Methods, mobile stations and systems for acquiring global positioning system ...

US Pat. 6295023 - Filed Jan 21, 2000 - Ericsson Inc.

22, 1998 and entitled **System** and Method For Cold Start of a GPS **Receiver** in ...on a communication **network** for repetitive **positioning** types of applications ...**Multi-mode global positioning system for use with wireless networks**

US Pat. 6389291 - Filed Feb 8, 2001 - SIRF Technology

Network Based Mode A **network** based mode can also be used for situations when the**GPS receiver** cannot receive any GPS signals. As 40 such, the GPS **system** is ...**Information transfer in a multi-mode global positioning system used with ...**

US Pat. 6427120 - Filed Feb 28, 2001 - SIRF Technology, Inc.

Network Based Mode 40 A **network** based mode can also be used for situations when
